All Your Sins (Pentagram Cover)

Cathedral

The time has come you must repent For all your sins have spent The rule to broken now is here The spark that loads your soul with fear yeah

Your life in chaos no control The hand beneath it voids your goals The kinding fire is now prepared To Meet the one youdared, oh yeah

You can never win Pay for all your sins You can never win Pay for all your sins like this

You're gonna burn now!

You can never win Pay for all your sins
