Ultra Earth

Cathedral

Bright red mist shrouds the world - streets in flames, Robots taking control - human slaves Auto-mechanical man - human clone, Technological plan - just beginning Withered sun overhangs - moon on fire Universe in reverse - Ultra Earth Clockwork hearts, plastic souls - breeding fast, Remote control embryo - manufactured Cybergod satellite - looking down, Thought police film your mind - live transmission Withered sun overhangs - moon on fire Universe in reverse - Ultra Earth See earths fate through the mist of a burning pyre come with me, the inferno will take us higher.
