

# High Heels

Catherine Wheel

No more noise this year  
I'll wear my highest heels  
What am I to do?  
I'm a bad decision maker

Is it still confused  
I know the truth  
Beneath this tree  
It blooms

I'm a hopeless case  
It multiplies  
I can I count your tears  
This time

I know  
This time  
Don't criticize

All I have to do  
Is get inside of you  
I'll wear my highest heels  
And I know how it feels

Is it still confused  
I know the truth  
Beneath this tree  
It blooms

I'm a hopeless case  
It multiplies  
Can I count your tears?  
This time

Don't criticize  
Don't don't don't criticize  
Don't don't don't don't criticize

I know  
This time  
Don't criticize

I know
