

# The Wolf

Catie Curtis

When my daddy lived here  
I never worried  
When my daddy lived here  
He read me stories  
And I never was afraid  
When the endings were scary  
Cause my daddy would say  
"I will keep you safe"  
When the wolf comes to the house

Now my mother has a boyfriend  
She let him move in  
She let him tell her  
She's just a fool  
And I heard them fighting  
I heard him knock her down  
And I tried to read that night  
But I don't like it now  
Cause when the wolf lives in your house  
You can't get him out

When my mother tells me  
We are a family  
But I don't want to be  
I have a plan  
Cause I'm waiting for a day  
When I am stronger  
And I will step in the way  
I'll make him sorry  
When the wolf lives in your house  
You can't get him out  
When the wolf lives in your house  
You can't get him out

I will get him out.
