

Sirens Call

Cats on Trees

Whatever way, the same
Nothing according to plan
If I could just see clearly, into you
The same face every day, the sirens calling away
This mean so much more

The floating boat is carrying me
And I can live my story differently
The greedy sirens are chewing all around me
While I sing oh
On the falling shoals, I wonder why me?
On my way to the falls, I hope you see
We are heading to the wall even if you are sorry,
While I sing oh

In my sleep, nothing same
Nothing according to plan
If I could be someone, without you
The same smile everyday
The sirens calling away
This mean so much more

The floating boat is carrying me
And I can live my story differently
The greedy sirens are chewing all around me
While I sing oh

In my sleep, nothing same
Nothing according to plan
If I could be someone, without you
The same smile everyday
The sirens calling away
This mean so much more

The floating boat is carrying me
And I can live my story differently
The greedy sirens are chewing all around me
While I sing oh
On the falling shoals, I wonder why me?
On my way to the falls, I hope you see
We are heading to the wall even if you are sorry,
While I sing oh
