Joined At The Ass

Cattle Decapitation

Freak of unthinkable proportions Perfect candidate for abortion Future double-suicide from shotgun blast Rectally twins-and joined at the ass Some things deserve to die Severed siblings with a surgical knife Buildup of waste at articulation Installed colostomy for shit irrigation Purchased for science and mutant research Human quinea pig Waste not, want not How can there be a god That brings atrocities to its creation Born into hell-mandatory torment Biologically malformed, existance is futile We bring disease And physiological agony Nobody ever said that life was easy
