

Indigestible stench of menudo  
Honeycomb fanfare of stomach lining  
Cured in pepsin and enzymes  
Pickled and stored in jars with pigs feet  
Tool of digestion-eaten  
Raw gizzard dripping with chyme  
Extracted-preserved in lyme  
Stirred in with crab legs, seafood, and brine  
Nauseating delight  
Carnivorous delicacies done right  
Convulsions-spastic  
Human cuisine-turned gastric
