

# Baby Come Back

## Caught In The Act

Baby come back  
Baby come back

I've been searching high  
Far and wide, oh girl  
Feels like I'm sinking under  
The signs are bad  
Worst I've had, it's true  
Now I can't help but wonder  
Are you alone at night?  
Take back the nights  
I've cried

Baby come back  
Say you'll come back  
'Cause every day is grey without you  
Now I'm in black  
'Til you come back to me

Baby come back  
Why don't you come back?  
Baby come back

Time is dragging by  
I live a lie each day  
And say that I'm not hurting  
I play my game  
Hide all the pain inside  
And if only you'd come back to me  
For one more night  
Take back the nights I've cried

Baby come back  
Say you'll come back  
'Cause every day is grey without you  
Now I'm in black  
'Til you come back to me

Baby come back  
Say you'll come back  
'Cause every day is grey without you  
Now I'm in black  
'Til you come back to me

Girl come back and stay  
Don't leave me this way  
Set me free  
I'm on a sea of heartache  
Rescue me  
Don't let it be a memory, yeah  
Oh...oh...oh...oh...  
Yeah, yeah, yeah, yeah

Baby come back  
Say you'll come back  
'Cause every day is grey without you  
Now I'm in black

'Til you come back to me

Baby come back

Say you'll come back

'Cause every day is grey without you

Now I'm in black

'Til you come back to me

Baby come back

Why don't you come back?

Baby come back

Why don't you come back?
