

# Bring Back The Love

## Caught In The Act

Last night I heard you crying again  
I wanted to hold you but my pride was too strong Caught  
why did I have to hide I know I was wrong In  
what happened to all the moments we shared?  
When we knew for each other we cared The

so lets bring back the love  
that we lost in the wind Act  
can the two of us try to start over again  
I pray every night to the heavens above Bring  
oh bring back the love

the days are so long and the nights are so lonely Back  
when you're not here with me in my dreams you're all I  
see Love  
only hope its not too late to try starting over  
what hapened to all the moments we shared? Songtexte  
when we knew for each other we cared

can we bring back the love Songtext  
that we lost in the wind  
can the two of us try to start over again Lyrics

remember when we built our love  
on nothing but good times baby Liedertexte  
through thick and thin  
if we nold on to trust we'll get there again
