

How Long

Caught In The Act

How long must i wait
to see you again
how long before my heart breaks
i need to know you feel the same

when i saw you standing there
never thought that you could care
or even notice me
then i looked into your eyes
it was hopeless to disguise
in my arms is were you wanna be
so i count every second
til the sun goes down
i'll keep praying you'll come around

trying to make it through the day
hoping i will find a way
oh, i've got to let you know
you are all that's in my mind
i think about you all the time
no i just can't let go
so i count every second
til the sun goes down
i'll keep praying you'll come around

in my arms it's so clear
the world is right when you are near
if only you could make my dreams come true
girl i need you
