

# My Arms Keep Missing You

## Caught In The Act

My arms keep missing you  
who's been kissing you  
since you went away  
my arms keep missing you  
I keep wishing you'd come back today

You know I've been so lonely every night  
since you went away  
would you let me down any night  
is that the way you're made girl

I keep telling myself it's all right  
even though I cry  
there's no question why  
how could I be happy when

My arms keep missing you  
who's been kissing you  
since you went away  
my arms keep missing you  
I keep wishing you'd come back today

You said you wouldn't hurt me any way  
and I believed in you  
we said we'd trust each other every day  
we'd never be untrue

But I keep thinking you're telling lies  
even though I try  
there's no question why  
how can i be happy when

My arms keep missing you  
who's been kissing you  
since you went away  
my arms keep missing you  
I keep wishing you'd come back today

You know I've been so lonely every night  
since you went away  
would you let me down any night  
is that the way youre made girl?

I keep telling myself it's all right  
even though I cry  
there's no question why  
how can i be happy when

My arms keep missing you  
who's been kissing you  
since you went away  
my arms keep missing you  
I keep wishing you'd come back today
