

Never Gonna Change

Caught In The Act

Never gonna change the way
Never baby
No I'm never gonna change the way
I feel about you know

Three a.m. I'm alone tonight
Watching the rain dancing in the street light
The pain is growing stronger inside
I realise that you're the one missing from my life
I know every single tear you cried
Oh baby hold my name inside
Tell me you can forgive me know

No I'm never gonna change the way
I feel about you know
Oh no I would give up everything
To turn back the hands of time
I'm on my knees
I'm begging you please give me one more chance
Just to make it right
No I'm never gonna change the way
I feel about you know
I tried to hide a wall of disguise

I just can't go on baby
Living a lie
In a moment of weakness I was so blind
I just can't believe
What I was willing to sacrifice
I know every single tear you cried
Oh baby hold my name inside
Tell me, can you forgive me know

If I could turn back the time
You know I'd make it so right
I'd do anything to hold you baby tonight
And baby you know
I don't mean maybe I say it from the heart
Cos you're the love of my life
I would give everything
To turn back the hands of time
I'm on my knees
I'm begging you please
Give me one more chance
Just to make it right
