

Bloodbrawl

Cavalera Conspiracy

Fed up and fucked up
Born from war and tension
Fed up and fucked up
Cut-throat generation
Fed up and fucked up
Throw down the fallen nations
Fed up and fucked up
Burn down retaliation
Fed up and fucked up
See you fall from grace
Fed up and fucked up
Scars on your two faces
Bloodbrawl - now you're falling down
Bloodcloth - it's your downfall
Bloodcloth - now you're falling down
Bloodbrawl...
Bloodbrawl, bloodcloth, bloodcloth, bloodbrawl
Born from war and tension
Fed up and fucked up
Feeding on frustration
Fed up and fucked up
Unleash devastation
Fed up and fucked up
Spell out your redemption
Fed up and fucked up
Bloodbrawl - now you're falling down
Bloodcloth - it's your downfall
Bloodcloth - now you're falling down
Bloodbrawl...
Bloodbrawl, bloodcloth, bloodcloth, bloodbrawl
