

I Luv I Jah

Cave In

(by Bad Brains)

Walking down babylon lane.
Trying to live my life in peace.
Two young men call me not their brother, try to make me feel as
hamed.
But I luv I jah yeah, he tell me not to be that way.
I luv I jah, yeah, I gotta keep my PMA.
My lovely sister, judge me by my clothes, yeah.
Only to learn to her mistake not everyone's alike.
We're not all a uptight.
Ah no fuss no fight.
Cool that way, cool that way.
I luv I jah
