

# Sleepless

Cazette

It kills my heart to see  
Your eyes are no longer on me  
It's critical to me  
You stop messing with me

It kills my heart to know  
You don't think this love could grow  
Cause anywhere you'd go  
You know I would follow

Cause I'm sleepless about you  
Sleepless about you  
Oh-oh-oh, oh-oh-oh-oh-oh-oh-oh  
Sleepless about you  
Oh-oh-oh, oh-oh-oh-oh-oh-oh-oh

It kills my heart to see  
Your eyes are no longer on me  
It's critical to me  
You stop messing with me

It kills my heart to know  
You don't think this love could grow  
Cause anywhere you'd go  
You know I would follow

Cause I'm sleeeeeeeeeeeep  
Sleeeeeeeep

You kissed my heart you know  
Like no one ever did before  
And I heard you moved on  
Yeah I hear you moved on

Cause I'm sleepless about you  
Sleepless about you  
Oh-oh-oh, oh-oh-oh-oh-oh-oh-oh  
Sleepless about you  
Oh-oh-oh, oh-oh-oh-oh-oh-oh-oh

You kissed my heart you know  
Like no one ever did before  
And I heard you moved on  
Yeah I hear you moved on

I can't get no sleep  
I can't get no sleep  
I can't get no sleep, sleep, sleep, sleep
