

# Breakaway

Celine Dion

From the fire in your words  
To the dagger in your eye  
I just have to lay my body down  
Go and lay my body down  
I pretend to be asleep  
But I know you hear me cry  
I just have to lay my body down  
Go and lay my body down

But if I  
Really want a change  
Then I must admit  
That I'm the one to blame

If I could break away  
Cut the cord  
For worse or better  
If I could turn the page  
At last and say  
Goodbye forever  
But on the other side  
Of yesterday  
Beyond the heartache  
What if all I am  
Without the pain  
Is empty hearted  
I could break away

Is it true what people say  
That it's darkest before dawn?  
I just have to lay my body down  
Go and lay my body down  
Any hope we might have saved  
Is too weak to let live on  
I just have to lay my body down  
Go and lay my body down

And if I  
Really want a change  
Then tonight I'm gonna need  
All of my strength

If I could break away  
Cut the cord  
For worse or better  
If I could turn the page  
At last and say  
Goodbye forever  
But on the other side  
Of yesterday  
Beyond the heartache  
What if all I am  
Without the pain  
Is empty hearted  
I could break away

Oh, anything is better than this

I know  
Anything is better

If I could break away  
Cut the cord  
For worse or better  
If I could turn the page  
At last and say  
Goodbye forever  
But on the other side  
Of yesterday  
Beyond the heartache  
What if all I am  
Without the pain  
Is empty hearted

If I could break away  
If I could turn the page  
But on the other side  
Of yesterday  
Beyond the heartache  
What if all I am  
Without the pain  
Is empty hearted  
I could break away
