A desert road from Vegas to nowhere some place better than where you're been A coffee machine that needs some fixing In a little cafe just around the bend

I am calling you Can't you hear me I am calling you

A hot dry wind blows right through me The baby's crying and I can't sleep But we both know a change is coming coming closer, sweet release

I am calling you Can't you hear me I am calling you

I am calling you Can't you hear me I am calling you

A desert road from Vegas to nowhere
Some place better than where you've been
A coffee machine that needs some fixing
In a little cafe just around the bend
A hot dry win blows right through me
The baby's crying and I can't sleep
But we both know a change is coming
coming closer, sweet release

I am calling you can't you hear me I am calling you
