

Did You Give Enough Love

Celine Dion

You say you still don't know the reason why
I walked away
I know you thought you were so good to me

I didn't see it that way
My love's not something you can buy and sell
Like pearls on a string
And if you want to know where we went wrong
You ought to stop and think

Did you give enough love, did you show that you cared?
When I needed understanding were you really there?
Whenever I was down did you try to pick me up?
Maybe you should ask yourself, did you give enough love?
Did you give enough love?

Good intentions I know you had, right from the start
But if you wonder why we didn't last
Just look inside your heart

Did you give enough love, did you show that you cared?
When I needed understanding were you really there?
Whenever I was down did you try to pick me up?
Maybe you should ask yourself, did you give enough love?
Did you give enough love?

Did you give enough time when I was alone
When I needed you there to make me feel I belonged
You just don't know what you do to me
I just had to be free
