

# Did You Give Enough Love

Celine Dion

You say you still don't know the reason why  
I walked away  
I know you thought you were so good to me

I didn't see it that way  
My love's not something you can buy and sell  
Like pearls on a string  
And if you want to know where we went wrong  
You ought to stop and think

Did you give enough love, did you show that you cared?  
When I needed understanding were you really there?  
Whenever I was down did you try to pick me up?  
Maybe you should ask yourself, did you give enough love?  
Did you give enough love?

Good intentions I know you had, right from the start  
But if you wonder why we didn't last  
Just look inside your heart

Did you give enough love, did you show that you cared?  
When I needed understanding were you really there?  
Whenever I was down did you try to pick me up?  
Maybe you should ask yourself, did you give enough love?  
Did you give enough love?

Did you give enough time when I was alone  
When I needed you there to make me feel I belonged  
You just don't know what you do to me  
I just had to be free
