Don't Save It All for Christmas Day

Celine Dion

Don't get so busy that you miss Giving just a little kiss To the ones you love Don't even wait a little while To give them a little smile A little is enough

How many people are crying People are dying... How many people are asking for love

Don't save it all for Christmas Day Find a way To give a little love everyday Don't save it all for Christmas Day Find your way Cause holidays have come and gone But love lives on If you give on Love...

How could you wait another minute A hug is warmer when you're in it And Baby that's a fact And saying "I love you's" always better Seasons, reasons, they don't matter So don't hold back How many people in this world So needful in this world How many people are praying for love

Don't save it all for Christmas Day Find a way To give a little love everyday Don't save it all for Christmas Day Find your way Cause holidays have come and gone But love lives on If you give on Love...

Let all the children know Everywhere that they go Their whole life long Let them know love

Don't save it all for Christmas Day Find a way To give a little love everyday Don't save it all for Christmas Day Find your way Cause holidays have come and gone But love lives on If you give on Love... Love...
