Dreamin' of You

Lyin' in my bed Thoughts in my head Visions of you But I can't get through the night

So pick up the phone I know you're home You're playin' with my heart And you know that it just ain't right

It's just a game of love, love, love And even though it's hard baby I can never give you up

You're the one I'm dreamin' of I can't live without your love Tonight And it's you that I adore You're the one that I live for Inside Of you, I'm dreamin' of you

So I get in the car But I didn't get far 'Cause the radio played Every song that I sang with you

Yesterday's gone And it may be true But you know that I'll never get over you

It's just a game of love, love love And even though it hurts me baby I can never give you up

'Cause you're the one I'm dreamin' of I can't live without your love Tonight And it's you that I adore You're the one that I live for Inside Of you, I'm dreamin' of you

You, you gave me love Love gave us hope and strength To carry on and You, you gave me faith When I was fallin' down You would pick me up, my love

You're the one I'm dreamin' of I can't live without your love Tonight And it's you that I adore You're the one that I live for Inside
