

# Falling Into You

Celine Dion

And in your eyes I see ribbons of color  
I see us inside of each other  
I feel my unconscious merge with yours  
And I hear a voice say, "What's his is hers"

I'm falling into you  
This dream could come true  
And it feels so good falling into you

I was afraid to let you in here  
Now I have learned love can't be made in fear  
The walls begin to tumble down  
And I can't even see the ground

I'm falling into you  
This dream could come true  
And it feels so good falling into you

Falling like a leaf, falling like a star  
Finding a belief, falling where you are

Catch me, don't let me drop!  
Love me, don't ever stop!

So close your eyes and let me kiss you  
And while you sleep I will miss you

I'm falling into you  
This dream could come true  
And it feels so good falling into you

Falling like a leaf, falling like a star  
Finding a belief, falling where you are

Falling into you  
Falling into you  
Falling into you
