Falling Into You

Celine Dion

And in your eyes I see ribbons of color I see us inside of each other I feel my unconscious merge with yours And I hear a voice say, "What's his is hers"

I'm falling into you This dream could come true And it feels so good falling into you

I was afraid to let you in here Now I have learned love can't be made in fear The walls begin to tumble down And I can't even see the ground

I'm falling into you This dream could come true And it feels so good falling into you

Falling like a leaf, falling like a star Finding a belief, falling where you are

Catch me, don't let me drop! Love me, don't ever stop!

So close your eyes and let me kiss you And while you sleep I will miss you

I'm falling into you This dream could come true And it feels so good falling into you

Falling like a leaf, falling like a star Finding a belief, falling where you are

Falling into you Falling into you Falling into you
