

Have You Ever Been in Love

Celine Dion

Have you ever been in love
You could touch the moonlight
When your hearts shooting stars
You're holding heaven in your arms
Have you ever been so in love

Have you ever walked on air
Ever felt like you were dreamin
When you never thought it could
But it really feels that good
Have you ever been so in love

Have you ever been in love
You could touch the moonlight
When your hearts shooting star
You're holding heaven in your arms
Have you ever been in love, have you...

The time I spent
Waiting for something that was heaven-sent
When you find it don't let go,
I know

Have you ever said a prayer
And found that it was answered
All my hope has been restored
And I aint looking anymore
Have you ever been so in love, have you...

Some place that you aint leavin
Somewhere you're gonna stay
When you finally found the meanin
Have you ever felt this way

The time I spent
Waiting for something that was heaven-sent
When you find it, don't let go,
I know...

Coz have you ever been so in love, so in love
You could touch the moonlight
You can even reach the stars
Doesn't't't matter near or far
Have you ever been so in love

Have you ever been in love
Have you ever been in love
So in... love...
