I had to escape The city was sticky and cruel Maybe I should have called you first But I was dying to get to you I was dreaming while I drove The long straight road ahead, uh, huh Could taste your sweet kisses Your arms open wide This fever for you is just burning me up inside I drove all night to get to you Is that alright I drove all night Crept in your room Woke you from your sleep To make love to you Is that alright I drove all night What in this world Keeps us from falling apart No matter where I go I hear The beating of our one heart I think about you When the night is cold and dark No one can move me The way that you do Nothing erases this feeling between me and you I drove all night to get to you Is that alright I drove all night Crept in your room Woke you from your sleep To make love to you Is that alright I drove all night Could taste your sweet kisses Your arms open wide This fever for you is just burning me up inside I drove all night to get to you Is that alright I drove all night Crept in your room Is that alright I drove all night I drove all night to get to you Is that alright I drove all night

Crept in your room

Woke you from your sleep
