

I Hate You Then I Love You

Celine Dion

I'd like to run away from you
But if I were to leave you I would die
I'd like to break the chains you put
around me
And yet I'll never try

No matter what you do you drive me
crazy
I'd rather be alone
But then I know my life would be so
empty
As soon as you were gone

Impossible to live with you
But I could never live without you
For whatever you do / For whatever you
do
I never, never, never
Want to be in love with anyone but you

You make me sad
You make me strong
You make me mad
You make me long for you / You make
me long for you

You make me live
You make me die
You make me laugh
You make me cry for you / You make me
cry for you

I hate you
Then I love you
Then I love you
Then I hate you
Then I love you more
For whatever you do
I never, never, never
Want to be in love with anyone but you

You treat me wrong
You treat me right
You let me be
You make me fight with you / I could
never live without you

You make me high
You bring me down
You set me free
You hold me bound to you

I hate you
Then I love you
Then I love you
Then I hate you
Then I love you more / I love you more

For whatever you do / For whatever you
do

I never, never, never

Want to be in love with anyone but you

I never, never, never

I never, never, never

I never, never, never

Want to be in love with anyone but you

But you
