

# I Love You, Goodbye

Celine Dion

Wish I could be the one  
The one who could give you love  
The kind of love you really need  
Wish I could say to you  
That I'll always stay with you  
But baby that's not true  
You need someone  
Willing to give their heart and soul to you  
Promise you forever,  
Baby that's something I can't do,  
Oh I could say that I'll be all you need  
But that would be a lie  
I know I'd only hurt you  
I know I'd only make you cry  
I'm not the one you're needing  
I love you, goodbye...

I hope someday you can  
Find some way to understand  
I'm only doing this for you  
I don't really wanna go  
But deep in my heart I know  
This is the kindest thing to do  
You'll find someone  
Who'll be the one that I could never be  
Who'll give you something better  
Than the love you'll find with me  
Or I could say that I'll be all you need  
But that would be a crime  
I know I'd only hurt you  
I know I'd only make you cry  
I'm not the one you're needing  
I love you, goodbye...

Leaving someone, when you love someone  
Is the hardest thing to do  
When you love someone as much as I love you

Oh I don't wanna leave you  
Baby it tears me up inside  
I'll never be the one you're needing  
I love you, goodbye...

Baby, it'll never ganna work out  
I love you, goodbye...
