

I Love You, Goodbye

Celine Dion

Wish I could be the one
The one who could give you love
The kind of love you really need
Wish I could say to you
That I'll always stay with you
But baby that's not true
You need someone
Willing to give their heart and soul to you
Promise you forever,
Baby that's something I can't do,
Oh I could say that I'll be all you need
But that would be a lie
I know I'd only hurt you
I know I'd only make you cry
I'm not the one you're needing
I love you, goodbye...

I hope someday you can
Find some way to understand
I'm only doing this for you
I don't really wanna go
But deep in my heart I know
This is the kindest thing to do
You'll find someone
Who'll be the one that I could never be
Who'll give you something better
Than the love you'll find with me
Or I could say that I'll be all you need
But that would be a crime
I know I'd only hurt you
I know I'd only make you cry
I'm not the one you're needing
I love you, goodbye...

Leaving someone, when you love someone
Is the hardest thing to do
When you love someone as much as I love you

Oh I don't wanna leave you
Baby it tears me up inside
I'll never be the one you're needing
I love you, goodbye...

Baby, it'll never ganna work out
I love you, goodbye...
