

# I Love You

Celine Dion

I must be crazy now  
Maybe I dream too much  
But when I think of you  
I long to feel your touch

To whisper in your ear  
Words that are as old as time  
Words only you would hear  
If only you were mine

I wish I could go back to the very first day I saw you  
Should've made my move when you looked in my eyes  
Cause by now I know that you'd feel the way that I do  
And I'd whisper these words as you'd lie here by my side

I love you, please say  
You love me too, these three words  
They could change our lives forever  
And I promise you that we will always be together  
Till the end of time

So today, I finally found the courage deep inside  
Just to walk right up to your door  
But my body couldn't move when I finally got to it  
Just like a thousand times before

Then without a word he handed me this letter  
Read I hope this finds the way into your heart, it said

I love you, please say  
You love me too, these three words  
They could change our lives forever  
And I promise you that we will always be together  
Till the end of time

Well maybe I, I need a little love yeah  
And maybe I, I need a little care  
And maybe I, maybe you, maybe you, maybe you  
Oh you need somebody just to hold you  
If you do, just reach out and I'll be there

I love you, please say  
You love me too  
Please say you love me too  
Till the end of time  
These three words  
They could change our lives forever  
And I promise you that we will always be together

Oh, I love you  
Please say you love me too  
Please please  
Say you love me too  
Till the end of time  
My baby  
Together, together, forever  
Till the end of time

I love you  
I will be your light  
Shining bright  
Shining through your eyes  
My babe
