

# If Walls Could Talk

Celine Dion

Can you keep a secret?

These walls keep a secret  
That only we know  
But how long can they keep it?  
'Cause we're two lovers, we lose control

We're two shadows  
Chasing rainbows  
Behind closed windows  
Behind closed doors

If walls could talk  
Oooh... they would say I want you more  
They would say  
Hey...ever felt like this before?  
That you'll always be the one for me

If walls had eyes  
My... they would see the love in sight  
They would see  
Me...in your arms in ecstasy  
And with every move they'd know I love you so  
I love you so

Two people making memories  
Just too good to tell  
These arms are never empty  
When we're lying where we fell

We're painting pictures  
Making magic  
Taking chances  
Making love

When I'm feeling weak  
You give me wings  
When the fire has no heat  
You light it up again  
When I hear no violins  
You play my every string  
Stop the press  
Hold the news  
The secret is safe between me and you - walls  
Can you keep a secret?

I love you so  
Ooooh I love you baby  
Ooooh baby  
Love you love you love you so honey  
Love you love you love you so  
In your arms in ecstasy  
If they could only see you and me baby  
Just you and me baby
