

# It's a Man's Man's Man's World

Celine Dion

this is a man's world, this is a man's world  
But it wouldn't be nothing, nothing yeah  
Without a woman or a girl, yeah

You see, man makes the cars to take us over the road  
And man made the trains to carry the heavy, heavy loads  
Man made electric light to take us out of the dark, yeah  
Man made the boats for the water, like, like Noah made the ark

This is a man's world  
But it wouldn't be nothing, nothing without a woman or a girl,  
no

Man thinks a little bit about a baby girl and a baby boy  
Man makes them happy, 'cause man makes them toys  
And a man thinks about everything, everything he can, yeah  
You know, man makes money to buy from other  
man

This is a man's world  
But it would be nothing, nothing  
without a woman or a girl

He's lost in bitterness  
He's lost in the wilderness  
He's lost, 'cause this is a man's, man's man's world  
But it wouldn't be nothing, no  
Nothing, without a woman or a girl
