

# Just Walk Away

Celine Dion

I know I never loved this way before  
And no one else has loved me more  
With you I've laughed and cried  
I have lived and died  
What I wouldn't do just to be with you

I know I must forget you and go on  
I can't hold back my tears too long  
Though life won't be the same  
I've got to take the blame  
Find the strength I need to let you go

Just walk away  
Just say goodbye  
Don't turn around now you may see me cry  
I mustn't fall apart  
Show my broken heart  
Or the love I feel for you

So walk away  
Close the door  
And let my life be as it was before  
I'll never never know  
How I let you go  
But there's nothing left to say  
Just walk away  
Just walk away

There'll never be a moment I'll regret  
I've loved you since the day we met  
For all the love you gave  
And all the love we made  
I know I've got to find the strength to say

Just walk away  
Just say goodbye  
Don't turn around now you may see me cry  
I mustn't fall apart  
Show my broken heart  
Or the love I feel for you

So walk away  
Close the door  
And let my life be as it was before  
I'll never never know  
How I let you go  
But there's nothing left to say  
Just walk away  
Just walk away

So walk away  
Close the door  
And let my life be as it was before  
I'll never never know  
How I let you go  
But there's nothing left to say  
Ooh, Just walk away

So walk away  
Just close the door  
And let my life be as it was before  
I'll never never know  
How I let you go  
But there's nothing left to say  
Just walk away
