

# Let's Talk About Love

Celine Dion

Everywhere I go all the places that I've been,  
every smile's a new horizon on a land I've never seen.  
There are people around the world, different faces, different names,  
but there's one true emotion that reminds me we're the same.  
Let's talk about love.

From the laughter of a child to the tears of a grown man,  
there's a thread that runs right through us all and helps us understand.  
As subtle as a breeze, that fans a flicker to a flame,  
from the very first sweet melody to the very last refrain.  
Let's talk about love, let's talk about us,  
let's talk about life, let's talk about trust, let's talk about love.

It's the king of all who live and the queen of all good hearts,  
it's the ace you may keep up your sleeve, till the name is all but lost.  
As deep as any sea with the rage of any storm,  
but as gentle as a falling leave on any autumn morn.  
Let's talk about love, let's talk about us,  
let's talk about life, let's talk about trust.  
Let's talk about love, it's all we're needin',  
let's talk about us, it's the air we're breathin',  
let's talk about life, I wanna know you,  
let's talk about trust, and I wanna show you

Everywhere I go all the places that I've been,  
every smile's a new horizon on a land I've never seen.  
There are people around the world, different faces different names,  
but there's one true emotion that reminds me we're the same.  
Ooh, let's talk about love, let's talk about us,  
let's talk about life, let's talk about trust.  
Let's talk about love, it's all we're needin',  
let's talk about us, it's the air we're breathin',  
let's talk about life, I wanna know you,  
let's talk about trust, and I wanna show you.  
Let's talk about love, it's all we're needin',  
let's talk about us, it's the air we're breathin'...
