

# Let Your Heart Decide

Celine Dion

I understand that you've met someone  
With a perfect heart  
But you've been questioned by everyone;  
Are you live in the dark?  
Can you choose to fall,  
Should you risk it all?

How'm I gonna stop it if you wanna give it all to love  
When I'm on your side  
And I understand you're the only one to know  
Whether wrong or right  
Let your heart decide (you're the only one)

Some may tell you don't take the risk  
It's a waste of time  
But if you think you'll find happiness  
Baby take the dive

It's unusual  
But it's critical

How am I gonna stop it if you wanna give it all to love  
When I'm on your side  
And I understand you're the only one to know  
Whether wrong or right  
Let your heart decide (you're the only one)

Give it up  
How am I gonna stop it if you wanna give it all to love  
When I'm on your side  
And I understand you're the only one to know  
Whether wrong or right  
Let your heart decide (you're the only one)
