

# Love Is on the Way

Celine Dion

Waking up alone  
In a room that still reminds me  
My heart has got to learn to forget  
Starting on my own  
With every breath I'm getting stronger  
This is not the time for regret  
Cause I don't need to hang on to heartbreak  
When there's so much of life left to live

Love is on the way  
On wings of angels  
I know its true, I feel it coming through  
Love is on the way  
Time is turning the pages  
I don't know when  
But love will find me again

I am not afraid  
Of the mystery of tomorrow  
I have found the faith deep within  
There's a promise I have made  
There's a dream I'm gonna follow  
There's another chance to begin  
And it's coming as sure as the heavens  
I can feel it right here in my heart

Love is on the way  
On wings of angels  
I know its true, I feel it coming through  
Love is on the way  
Time is turning the pages  
I don't know when  
But love will find me again

(Oh I know, I know down deep  
down in my heart I know that...)

Love is on the way  
On wings of angels  
I know its true, I feel it coming through  
Love is on the way  
Time is turning the pages  
I don't know when  
But love will find me again

I don't know when  
But love will find me again
