

Miracle

Celine Dion

You're my life's one Miracle,
Everything I've done that's good
And you break my heart with tenderness,
And I confess it's true
I never knew a love like this till you....

You're the reason I was born
Now I finally know for sure
And I'm overwhelmed with happiness
So blessed to hold you close
The one that I love most
With all the future has so much for you in store
Who could ever love you more?

The nearest thing to heaven,
You're my angel from above
Only God creates such perfect loooooove

When you smile at me, I cry
And to save your life I'll die
With a romance that is pure heart,
You are my dearest part
Whatever it requires,
I live for your desires
Forget my own, needs will come before
Who could ever love you more?

Well there is nothing you could ever do,
To make me stop, loving you
And every breath I take,
Is always for your sake
You sleep inside my dreams and know for sure
Who could ever love you more?
