

# Refuse to Dance

Celine Dion

Got your invitation to the dance  
Wear your party dress  
Maybe I was just an innocent  
But I confess  
I never even knew the song  
The orchestra was playing

See the cuties in their party clothes  
Oh it's getting warm  
Off the shoulder cut into the hip  
Like a uniform  
Did you think I'd want to tow the line  
Well now the line is broken

Refuse to dance  
Refuse to dance  
Refuse to dance  
Refuse to dance

You said you're such a pretty thing  
You could make a mark  
I'll teach you all the steps you'll need  
Guide you through the dark  
Suddenly I thought I knew the song  
The orchestra was playing

Refuse to dance  
Refuse to dance  
Refuse to dance  
Refuse to dance

See how they follow  
You say jump. They jump  
You say turn. They turn  
Look back in sorrow  
I won't be there

Refuse to dance  
Refuse to dance  
Refuse to dance  
Refuse to dance
