

# Shadow of Love

Celine Dion

Live my life like a runaway  
I hide my dreams in a special place  
I'm waiting here for my prince to come  
To save me from the darkness

I count the nights, I count the days  
The ways, yeah  
Don't wanna fight, it would be in vain  
So in vain, so in vain

I can run but I can't hide  
It's because... I'm living in the shadow of love  
Yeah, yeah  
To me you are the only one I dream of  
I'm living in the shadow of love

Your love surrounds me, it's everywhere  
It is my shelter, it is my air  
A moon eclipse and a burning sun  
Make a shade just for me

For you I wait forever and a day  
Yes I would  
To be there if your love should come my way  
My way

I can run but I can't hide  
It's because... I'm living in the shadow of love  
Yeah  
To me you are the only one I dream of  
I'm living in the shadow of love

Too many nights, too many days  
I've hidden from the sun  
And though I've tried to break away  
You hold a leash just too strong

I love you in the shadow of love

I can run but I can't hide  
It's because... I'm living in the shadow of love  
Yeah  
To me you are the only one I dream of  
Cause I'm living in the shadow of love

It's because... living in the shadow of love  
Shadow of love, yeah  
I can run but I can't hide  
It's because... the shadow of love  
Shadow of love
