

# The Chase

Celine Dion

This is from the heart  
Ready to let my guard down whatever the cost  
Keeping it safe, you just can't love outside the box  
So I'm gonna try my luck on you

This is from a girl  
Who still believed that there was someone in the world  
To take her at her best and her worst  
Won't give up when it hurts  
So I'm gonna try my luck  
I'm gonna try my luck, babe  
I'm gonna try my luck on you  
Cause I wish you, I wish you'd stay

Cause there's something about the chase  
That's got you running through my mind all day  
And I can't keep up  
'Cause I'm still reveling in the rush of the chase

This is for the one  
Always walking the beat of their own drum  
Ain't afraid to take it as it comes  
Yeah you wanna try your luck  
Do you wanna try your luck on me  
Cause I wish you, I wish you'd stay

Cause there's something about the chase  
That's got you running through my mind all day  
And I can't keep up  
'Cause I'm still reveling in the rush of the chase

I wish you, I wish you'd stay  
I might run but won't walk away  
If you keep making my heart race  
'Til I can't keep up, I'll be reveling in the rush of the chase

I wish you would  
Keep me running, running, running  
Searching for that something something  
I think it could be  
You and me

So stay  
Cause there's something about the chase  
That's got you running through my mind all day  
And I can't keep up  
'Cause I'm still reveling in the rush

I wish you, I wish you'd stay  
I might run but won't walk away  
You keep making my heart race  
'Til I can't keep up, I'll be reveling in the rush of the chase

I wish you'd, I wish you'd stay (I wish you would, I wish you would)  
Oh stay (I wish you would, I wish you would)  
Oh stay (I wish you would, I wish you would)  
Stay

I wish you would  
I wish you would
