

The Colour Of My Love

Celine Dion

I ll paint my mood in shades of blue
Paint my soul to be with you
I ll sketch your lips in shaded tones
Draw your mouth to my own

I ll draw your arms around my waist
Then all doubt I shall erase
I ll paint the rain that softly lands on
your wind-blowin hair

I ll trace a hand to wipe your tears
A look to calm your fears
A silhouette of dark and light
While we hold each other oh so tight

I ll paint a sun to warm your heart
Swearing that we ll never part
That s the colour of my love

I ll paint the truth
Show how I feel
Try to make you completely real
I ll use a brush so light and fine
To draw you close and make you mine

I ll draw the years all passing by
So much to learn so much to try

And with this ring ring our lives will start
Swearing that we ll never part
I offer what you cannot buy
Devoted love until we die
