The Power of the Dream

Celine Dion

Deep within each heart There lies a magic spark That lights the fire of our imagination And since the dawn of man The strenght of just "I can" Has brought together people of all nations

There's nothing ordinary In the living of each day There's a special part Every one of us will play

Feel the flame forever burn Teaching lessons we must learn To bring us closer to the power of the dream As the world gives us its best To stand apart from all the rest It is the power of the dream that brings us here

Your mind will take you far The rest is just pure heart You'll find your fate is all your own creation Every boy and girl As they come into this world They bring the gift of hope and inspiration

Feel the flame forever burn Teaching lessons we must learn To bring us closer to the power of the dream The world unites in hope and peace We pray that it will always be It is the power of the dream that brings us here

There's so much strength in all of us Every woman child and man It's the moment that you think you can't You'll discover that you can

Feel the flame forever burn Teaching lessons we must learn To bring us closer to the power of the dream The world unites in hope and peace We pray that it will always be It is the power of the dream that brings us here

Feel the flame forever burn Teaching lessons we must learn To bring us closer to the power of the dream The world unites in hope and peace We pray that it will always be It is the power of the dream that brings us here

The power of the dream The faith in things unseen The courage to embrace your fear No matter where you are To reach for your own star To realize the power of the dream
