The Prayer

Celine Dion

I pray you'll be our eyes, and watch us where we go. And help us to be wise in times when we don't know Let this be our prayer, when we lose our way Lead us to the place, guide us with your grace To a place where we'll be safe

La luce che tu hai I pray we'll find your light nel cuore restera and hold it in our hearts. a ricordarci che When stars go out each night, eterna stella sei

The light you have I pray we'll find your light will be in the heart and hold it in our hearts. to remember us that When stars go out each night, you are eternal star Nella mia preghiera Let this be our prayer quanta fede c'e when shadows fill our day

How much faith there's Let this be our prayer in my prayer when shadows fill our day Lead us to a place, guide us with your grace Give us faith so we'll be safe

Sognamo un mondo senza piu violenza un mondo di giustizia e di speranza Ognuno dia la mano al suo vicino Simbolo di pace, di fraternita

We dream a world without violence a world of justice and faith. Everyone gives the hand to his neighbours Symbol of peace, of fraternity La forza che ci da We ask that life be kind e il desiderio che and watch us from above ognuno trovi amor We hope each soul will find intorno e dentro se another soul to love

The force his gives us We ask that life be kind is wish that and watch us from above everyone finds love We hope each soul will find around and inside another soul to love Let this be our prayer Let this be our prayer, just like every child

Need to find a place, guide us with your grace Give us faith so we'll be safe Need to find a place, guide us with your grace Give us faith so we'll be safe

E la fede che hai acceso in noi, sento che ci salvera

It's the faith
you light in us
I feel it will save us
