

# The Reason

Celine Dion

I figured it out  
I was high and low and everything in between  
I was wicked and wild, baby, you know what I mean  
Till there was you, yeah, you  
Something went wrong  
I made a deal with the devil for an empty I.O.U  
Been to hell and back, but an angel was looking through  
It was you, yeah, you  
It's all because of you  
You are the reason  
You are the reason I wake up every day  
And sleep through the night  
You are the reason, the reason  
In the middle of the night (In the middle of the night)  
I'm going down 'cause I adore you  
I want to floor you

I'm giving it up No more running around spinning my wheel  
You came out of my dream and made it real  
I know what I feel It's you It's all because of you  
You are the reason  
You are the reason I wake up every day  
And sleep through the night  
You are the reason, the reason  
In the middle of the night  
I'm going down 'cause I want you  
I want to touch you  
I want to floor you  
You are the reason, baby

You are the reason  
You are the reason I wake up every day  
And sleep through the night  
You are the reason, the reason  
The reason...  
Because of you  
I want you now
