

# Up Where We Belong

Celine Dion

Who knows what tomorrow brings  
In a world, few hearts survive  
All I know is the way I feel  
When it's real, I keep it alive  
La route est longue, le monde est grand pourtant  
Il nous faut parfois nous arrêter  
The route is long, the world is big however  
Sometimes we have to stop  
Love lift us up where we belong, where the eagles cry  
On a mountain high  
Love lift us up where we belong, far from the world  
We know, up where the clear wind blow  
Le temps fuit entre nos mains  
Lorsque l'amour nous tient  
Times goes out of our hands  
When love holds us  
Love lift us where we belong  
Là où pleurent encore  
Ceux qui se croient morts  
Love lift us where we belong  
Quand on est là-haut  
Le monde est si beau
