

# Why Oh Why

Celine Dion

Don't you know that your my reason  
For my love, my life, my being  
So secure and so damn sure my  
Heart would surely die without you

I tried to swallow my pride  
But I felt my heart start to tremble inside  
Wish I didn't know cause I can't let you go  
Tell me

Why  
Why when I looked in your eyes  
I felt my heart start to cry  
My o my  
When I saw you with the other girl

Ooh why,  
Why did you have to lie  
Cause I felt the trust start to die  
Why o why  
When I still love you  
It's so hard to say goodbye

How can you tell me it was nothing  
Cause you took away everything I dreamed in  
Just a night and I held you tight  
When you know you were sleeping in my bed

I tried to swallow my pride  
But I felt my heart start to tremble inside  
Wish I didn't know cause I can't let you go  
Tell me

Why  
Why when I looked in your eyes  
I felt my heart start to cry  
My o my  
When I saw you with the other girl

Ooh why,  
Why did you have to lie  
Cause I felt the trust start to die  
Why o why  
When I still love you  
It's so hard to say goodbye

Should I quietly leave through the door  
Or maybe pretend the way things were once before  
When I met you  
I'll never forget you, so

Why  
Why when I looked in your eyes  
I felt my heart start to cry  
My o my  
When I saw you with the other girl

Ooh why,  
Why did you have to lie  
Cause I felt the trust start to die  
Why o why  
When I still love you  
It's so hard to say goodbye
