Sophisticated with your feet on the ground (You won't off-beat it) - Pay?

One more connection, and you'll be underground (So overrated) - Pay?

Couldn't leave, all for it, off-key

One for the money and two for the show
Three to get ready and four to go

One for the money and two for the show
Three to get ready and four to go
Five suckers get up and six move out
And this is how it goes (Psycho!)
Six for the money is with five to show
Four to make money, and three to go
With too many questions, you won the bet
With nothing left to show (Psycho!)

(So, make up your mind) It's not my place, to make this right
(Don't leave me behind) I'm not afraid, to start a fight - Fight!
