

# Eon

Celldweller

I'm pacing inside this empty room  
Told to wait til my life's withdrawn  
Uneasy, I'm waiting here anxiously  
It's a waste and I won't wait another Eon

Endless night  
Long for light  
My head against this tomb  
And pushing through  
I'm pushing through  
Facedown and pushing through

Trapped and isolated  
Time is dislocated  
Eternity is what a moment seems  
When I can't feel anything

Erasing my final memories  
They won't stop til my whole life's gone  
Uneasy, I wait for normality  
It's a waste and I won't wait another Eon

Endless night  
Long for light  
My head against this tomb  
And pushing through  
I'm pushing through  
Facedown and pushing through

Trapped and isolated  
Time is dislocated  
Eternity is what a moment seems  
When I can't feel anything

When life is gone without a trace  
And hope is lost in time's embrace  
I won't wait or hesitate; I'm pushing through facedown  
I won't wait or hesitate; I'm pushing through...

If time's a song, I won't wait for its reprise  
I am done wishing farewells and goodbyes  
I won't let this place overshadow my birthright  
I won't wait another Eon

Impatiently, I'm cutting through the earth in front of  
me  
Bone on stone, blood and sweat married  
Can't hear the voice that whispers fears when my heart  
is pounding in my ears  
All I see in my mind is not what I've left behind  
But all the things I've been missing in that lost Eon

Endless night  
Long for light  
My head against this tomb  
And pushing through  
I'm pushing through

Facedown and pushing through

Trapped and isolated

Time is dislocated

Eternity is what a moment seems

When I am lost inside this dream

When I can't speak and I can't scream

And I can't feel anything
