Gift for You

Celldweller

Hello again I still try to remember how this all began You can't undo It's okay though because I've got a gift for you Poison in the well - I've got a gift for you A special place in hell - I've got a gift for you The perfect place to dwell - I've got a gift for you And though they're not as nice as the ones you gave to me, I hope that they will do Hello again I still can't remember how this all began One thing left to do So I'm here now and I've got a gift for you Poison in the well - I've got a gift for you A special place in hell - I've got a gift for you The perfect place to dwell - I've got a gift for you And though they're not as nice as the ones you gave to me, I hope that they will do Sickness for the skin - I've got a gift for you a cancer for within - I've got a gift for you an ending to begin - I've got a gift for you And though they're not as nice as the ones you gave to me,

I hope that they will do
