

Ursa Minor

Celldweller

We shall send to the Moon, 240,000 miles away...
a giant rocket more than 300 feet tall...
made of new metal alloys, some of which have not yet been inven
ted...
carrying all the equipment needed for...
guidance, control, communications... and survival

guidance, control, communications... and survival

10, 9, 8, 7, 6, 5, 4, 3, 2, 1, 0

guidance, control, communications... and survival

guidance, control, communications... and survival

Giant antennas like monster's eyes and ears straining, watching
, waiting

Straining, watching, waiting
