

# A Bird Without Wings

Celtic Thunder

Like a bird without wings  
That longs to be flying,  
Like a motherless child  
Left lonely and crying.  
Like a song without words,  
Like a world without music,  
I wouldn't know what to do  
I'd be lost without you  
Watchin' over me.

I get so lonely, when you're away  
I count every moment, I wait every day,  
Until you're home again  
And hug me so tight  
That's when I know  
Everything is alright.

Like a bird without wings  
That longs to be flying,  
Like a motherless child  
Left lonely and crying.  
Like a song without words  
Like a world without music,  
I wouldn't know what to do  
I'd be lost without you  
Watchin' over me.

You're my guardian angel  
My light and my guide  
Your hand on my shoulder  
And you by my side.  
You make everything beautiful,  
You make me complete.  
Everything in my world  
I lay at your feet

Like a church with no steeple,  
Where a bell never rings.  
In a town without people,  
Where no voice in the choir ever sings.  
If a boat on the ocean  
Would be lost with no sail,  
Then without your devotion  
Surely all that I dreamed of would fail.

Like a song without words  
Like a world without music,  
I wouldn't know what to do  
I'd be lost without you  
Watchin' over me

I wouldn't know what to do  
I'd be lost without you  
Watchin' over me
